Wilmington, DE 19808

To our valued ICCD members and friends,

My name is Kathi Twohig Hamelin, and I am writing on behalf of the Irish Culture Club of Delaware. Our organization is dedicated to preserving and promoting Irish culture in the state of Delaware and its surrounding areas.

At the Irish Culture Club of Delaware, we are currently working to host our third annual Gaelic Football tournament. Gaelic Football is one of the most popular Irish sports and is tightly intertwined with the preservation of Irish culture. This event would bring teams from the surrounding areas to Delaware, where the sport is beginning to grow.

In order to run this event, we rely on the support of generous individuals and businesses in our community. We would be most grateful if you would consider providing a tax-deductible donation to our event. We are seeking donations for the procurement of a field in which to host the event and equipment to be used for it.

\$200 - Bronze:	Logo in print advertising at event
\$500 - Silver:	Logo in digital and print advertising
\$1000 - Gold:	Logo in digital and print advertising, logo displayed on scoreboard
